

Follow Up Activities for Shade For Strider

Strider and his pals could not thank the people of Sydney enough for making their new home healthy again.

1. What do you think these plants need in order to live?
2. If you were a tree, shrub or plant that loved water where would you live?
3. Where would you live if you were a tree, shrub or plant that didn't need a lot of water?
4. What would the area look like if the people didn't take the time to plant the trees, shrubs and flowers?
5. Would anything grow?
6. What was your favorite part about the story? (Make this your drawing.)
7. How did the Washbrook get its name?
